## MICRO-PORTABLE VIEWDOCK™ PROJECTOR

FEATURING IPOD® WITH VIDEO DOCK

## Digital lifestyle iPod® projector

ViewSonic's PJ258D ViewDock™ projector sets the bar for digital lifestyle projectors for work and play by converging entertainment excitement with professional practicality. The integrated iPod dock lets you PROJECT CONTENT DIRECTLY FROM YOUR IPOD WITH VIDEO for larger-than-life pictures and videos. The array of projector connectivity options allows you to connect a PC, DVD player, game consoles, and more. The PJ258D uses Texas Instruments DLP® technology for RAZOR SHARP DIGITAL IMAGES and brilliantly displays 2,000 lumens for use in virtually any setting. Its stylishly contoured design is sophisticated for the contemporary professional on the go and the entertainment aficionado by night. Your projector doesn't have to be lackluster anymore as ViewSonic's PJ258D ViewDock™ elevates the status of your digital lifestyle.

*iPod sold separately*
